TO WHOM IT MAY CONCERN

It is with great pleasure that I write this letter of recommendation for Mr. Mohamed Rishwan. I have known Mr. Mohamed Rishwan since he joined Maldives Police Service and have observed him in my capacity as a senior commissioned officer at Maldives Police Service (MPS), the incumbent Commissioner of Police as well as a fellow colleague.

Mr. Mohamed Rishwan is a highly skilled police officer, who has been worked at the MPS since July 2004 to July 2011. His previous experience as an instructor and educator in the National Security Services (NSS) from September 1995 to February 2004 became an exemplary asset towards building the young law enforcement agency when MPS-separated from the NSS in September 2004.

Mr. Mohamed Rishwan was presented the rank of a Sub-Inspector of Police in the MPS and was appointed the Head of the previous Police Academy, then known as the Law Enforcement Training Center, where his leadership and commendable contribution into nurturing the Center was well received by his seniors and won him the admiration of all the staff at MPS. He worked hard to achieve the goals and objectives of the Center and strived to achieve them beyond the allocated time.

He has also served as the Head of Special Operations (March 2006 to April 2007), Head of Capital Police (April 2007 to April 2008), Head of Capital Police and Regional Police (April 2008 to Jan 2010) and his last appointment being the Deputy Commissioner of Police, serving as the Head of Operations and Regional Command from January 2010 to July 2011.

He has invested time and effort to help enhance the quality of services of these Departments at the organization level during his term of service. His ability to analyze inter-agency problems, understand their cause, and establish workable and acceptable solutions was well noticed by his seniors and this amounted to much evidence of a great amount of disciplined self-study and on-the-job training. He is also keen on the development of MPS as a professional law enforcement agency. For instance, during the planning and execution of annual business plans he has served as a senior officer to bring MPS closer to our vision of being an organization that has confidence of the public whom we serve.

Mr. Mohamed Rishwan has always impressed me as a highly intelligent, a diligent and well motivated individual whose passion to deliver his best in all his assigned tasks is truly commendable. Through his achievements he has proved that he has the innate capability to apply the knowledge he acquired through his experiences into his field of work and also acquire new skills, adapt to overcome any challenge or task at hand.

I can truly recommend him to you as someone who will always give his very best to any endeavor he chooses to pursue. My best wishes are with him always.

Yours Sincerely,

Ahmed Faseeh
Commissioner of Police
